INTRODUCTION

Situation

You work for an entertainment company which is planning to develop a theme park in Hong Kong. As part of the research phase for the development project, you have been sent to a movie theme park in Europe where you will be taken on a special tour.

The tour is divided into two parts. In the first part the tour guides will provide some general information about the park, and in the second part the tour will visit a number of the attractions. Your boss in Hong Kong has asked you to take careful notes during the tour so that you can report back to her.

Part 1

In this part, you will hear the tour guides give some general information about the theme park.

You will have 5 minutes to familiarize yourself with the note-headings for Part 1 before the tour begins.

At the end of Part 1 you will have 5 minutes to tidy up your answers.

Part 2

In this part, you will hear about some of the park's attractions.

You will have 3 minutes to familiarize yourself with the note-headings for Part 2 before the tour continues.

At the end of Part 2, you will have 10 minutes to tidy up your answers.
