## Notes:

- (1) In the admission process, some programmes may have additional requirements (such as specifying subject requirements, assigning heavier weighting to specific subjects, etc.) which are not reflected in the **Total Reference Scores** above. For the latest admission information, please visit <a href="http://admission.cuhk.edu.hk/jupas/download.html">http://admission.cuhk.edu.hk/jupas/download.html</a>
- (2) Programmes admitting less than 5 students are excluded.
- (3) Please note that as admission is not based on public examination results alone, and the overall scores of students admitted to each programme vary from year to year, the information provided is for reference only, and should not be used to predict the chance of admission to any programme in subsequent years.
